

SAP Proposal for TASK Registered Colleges

Respected Principal/TPO/HoD,

Greetings from TASK-SAP team.

On behalf of TASK, we thank you and your institution for your continuous efforts to utilize the services offered by TASK. We highly appreciate your support towards our TASK initiatives.

As you are aware, TASK has been introducing various technical programs in collaboration with big IT Corporate's like IBM, Infosys, Microsoft, AutoDesk and Oracle to various TASK registered colleges across Telangana. As the part of this technical knowledge expansion, TASK is teaming up with **SAP Education** to introduce **SAP Business Process Courses and Global Level Certification Programs to the colleges associated with TASK** for the purpose of training students on the areas of **SAP applications**.

About SAP

As the market leader in enterprise application software, SAP is at the center of today's business and technology revolution. Our innovations enable more than 291,000 customers worldwide to work together more efficiently and use business insight more effectively.

SAP helps organizations of all sizes and industries overcome the complexities that plague our businesses, our jobs, and our lives. With Run Simple as our operating principle, SAP's nearly 75,000 employees focus on a singular purpose that inspires us every day: To help the world run better and improve people's lives.

SAP values the essential role of higher education in advancing the future of information technology and business strategy. Since the company's founding in 1972, SAP has supported leading universities in reaching their goals in teaching and research. It may be noted that the SAP Education has come to Telangana, through TASK to help the students to make them industry ready.

Students belonging to Engineering, MCA as well as MBA groups can take the benefit of SAP courses. As the part of SAP Education – Student Academy Program, we are planning to introduce on various courses to the Pre final year / Final Year of Engineering, MCA and MBA students. This program would provide training through on line sessions from training sites as well as class room sessions by their respective faculty. The training for the college faculty would be conducted by Trainers from SAP through TASK.

For your kind information, here I am furnishing you key features of SAP Student Academy Program:

Commercials:

STREAM	COURSE NAME	DURATION	NUMBER OF STUDENTS	FEE
ENGINEERING / MCA	SAP Overview Course + SAP (ABAP/MM)	200 Hrs	120/240	Rs.12,00,000 + VAT / Rs.18,00,000/- + VAT
MBA	SAP Overview Course + SAP (FI/SD)	200 Hrs		

Student Eligibility: B.Tech 3rd and final year, MBA & MCA students are eligible for SAP training. College Management can take the final decision on finalising the students.

Student Training Duration: 200Hrs of training (40hrs of SAP Overview Course ended with a course completion certificate + 160hrs of SAP R3 Course ended with a course completion certificate) will be provided to students through online training and also with trained faculty of their respective colleges.

Key Benefits to faculty/student:

TTT/FDP: College management will nominate 5/10 faculty members for Faculty Development Program. 10 Days of training will be provided to faculty. The trained faculty will receive Course Completion Certificate.

Trained Faculty is provided with Learning Hub account from where they can access all the modules of SAP and upgrade their knowledge.

Trained Students/Faculty can take Global Level Certification of SAP at specific price for Student Academy Program (Special Price is Rs. 25,000 + Tax. Whereas Actual Cost is Rs.35,000/- + Tax)

Placement Assistance will be provided to the trained students.

The price being offered is very negligible compared to the price of the courses offered outside if the colleges independently would have to take up the same with the SAP authorized training centres would cost them more than Rs.1.75Lakh + Taxes per student.

TASK has discussed and negotiated with SAP Partners to give this best opportunity to the TASK registered students, now it's up to the college management discretion to take up the decision on SAP Education.

In this connection I am requesting you to please check with your respective managements and give confirmation for the mentioned proposal on or before 13th April 2016.

Please feel free to contact Sravani T @ +91 9100798204 / 9666364652 in case of any queries.
